What does it mean to "Be of Service" to other addicts?

To "be of service" can take place in many different ways. Our District, and every weekly meeting in Colorado is *always* asking for service positions to be filled. This is what makes our fellowship tick, and what helps to keep us all on the right track! Speak to your sponsor, or ask at your next meeting how you can help. Your service will make a difference, no mater how large or small. All current Committees with open positions are listed on back
